#### SMOKING REGULATIONS

**Art. 24** – Pursuant to Law 3 of 16 January 2003 and Prime Minister's Decree of 23 December 2003, smoking is strictly prohibited throughout the Exhibition Centre. The smoking ban is notified by appropriate "VIETATO FUMARE" ("NO SMOKING") signs that include indications of applicable legal provisions, fines applied to offenders and the names of officials appointed to make sure the ban is complied with and infringements are fined. These signs are located at Exhibition Centre access points and are clearly visible. Other signs are used inside the building to indicate that smoking is not allowed and state simply "VIETATO FUMARE."

Offenders are subject to fines €25 - € 250. The amount of the fine is doubled in the event of infringements in the presence of a visibly pregnant woman, babies or children up to 12 years of age. The Municipal Police, State Police and Rimini Fiera officials are responsible for making sure the ban is complied with and fining any infringements.

Smoking is only allowed outside of the Exhibition Centre and under outdoor porticos, indicated by notices to this end.

#### MACHINERY AND ITS USE

**Art. 25** – All exhibited vehicles must be new, approved or being approved, with the exception of prototypes, which must be provided with a notice clearly stating "prototype". Machines on show cannot be operated unless authorisation has been previously obtained from Management, who assesses each case before making a final decision on whether such authorisation should be granted.

By granting an authorisation Management accepts no liability for operation of the aforementioned machinery, which remains vested in the participants.

Participants must therefore take all precautions necessary to prevent accidents and fires, reduce noise, eliminate odours and avoid gas emissions. Under no circumstances may machinery or equipment involving the use of fire be operated. Machinery must in no way constitute a hazard or disturbance to others. Management reserves the final right to withdraw the aforesaid authorisation if it considers that inconvenience of any type could

occur. If machinery or equipment are required to comply with current laws and regulations, exhibitors must have them examined at their own expense and obtain approval from the competent authorities.

By signing the application form, exhibitors of such machinery and equipment, declare they comply with the above Directives, holding Rimini Fiera harmless and free from any liability.

#### REGULATION OF NOISE LEVELS ON EXHIBITION PREMISES

**Art. 26** – No music may be played on stands during the event.

All exhibiting companies must ensure (also for the use of public address equipment like microphones, speakers, etc.) a noise level that allows a suitable ambience for conducting business and therefore lower than levels in force (Legislative Decree 81/2008, Title VIII, Chapter II). In any case, the noise level set by Rimini Fiera requires it to be less than 80 db at all times.

Moreover, at its sole and exclusive discretion, Rimini Fiera may decide that the sound levels produced by various apparatus or machinery on the exhibitor's stand appears to be dangerous and/or annoying for the activities being pursued by other operators in the vicinity, and consequently invite (via a written or verbal notification made by one of its staff) an exhibitor to reduce noise to levels even lower than the decibels indicated herein. Sound levels will be measured by sound meters at the nearest possible point outside the stand area by Rimini Fiera Spa authorised staff.

Failure to comply with the aforesaid dispositions, including the request to reduce noise to levels lower than those specified in the second paragraph above, will give rise to the following actions against the defaulting exhibitor:

- for the first infringement notified, a verbal warning;
- for the second infringement, a written warning;
- from the third infringement onwards, the stand's power supply will be disconnected, without the exhibitor being entitled to any refund or compensation. 15-minute warnings will be given before the electricity is disconnected. Power disconnection may last for up to 3 hours, depending on the final decision taken by Rimini Fiera.

In none of the aforementioned cases may Rimini Fiera Spa be held responsible for any damage caused to the exhibitor and/or material exhibited when envisaged sanctions are applied following the exhibitor's failure to comply with the provisions herein.

Without prejudice to the abovementioned regulations and to Rimini Fiera's commitment to making sure exhibitors comply with these provisions, Rimini Fiera Spa cannot be held in any way liable in case an exhibitor's illicit behaviour causes damage to other exhibitors. Any such controversies must be resolved directly by the exhibitors in question, holding Rimini Fiera Spa free from any obligation and/or responsibility.

#### ADVERTISING

Flyer or leaflet distribution of any form is prohibited both inside and outside the Exhibition Centre.

Moreover, no company (whether an exhibitor, guest, or represented at the event) may publish any logos or trademarks on official Rimini Fiera promotional materials except for those agreed in advance with Rimini Fiera publicity office.

Whilst the aforementioned limits are to be respected, exhibitors are totally and solely responsible for any civil, administrative or criminal liability deriving from their publicity activities. The exhibitor is also liable towards other exhibitors and/or third parties for the content of its publicity or infringement of any laws, including those regarding competition. As a rule, exhibitors are not allowed to use audio equipment to broadcast music and sound. Any exceptions must be authorised by Rimini Fiera Spa, but this does not release participants from complying with current copyright laws at their own care and expense and to accept any and all liability on this respect.

Failure to comply with the aforementioned restrictions will result in the exhibitor being subject to a fine of €2,000 (two thousand) for each infringement of the aforementioned regulations ascertained by Rimini Fiera. Rimini Fiera also reserves the right to lodge further claims for compensation of greater damage sustained.

#### SALES FOR IMMEDIATE DELIVERY

**Art. 28** – Sales for 'Immediate Consignment' are strictly prohibited, as are services requiring payment. The Participant accepts any and all responsibility for infringements of this prohibition, releasing Rimini Fiera from any consequent liability and/or obligation. Disputes concerning relations with other operators, arising from this ban, must also be resolved directly by the Participants involved, with relief of Rimini Fiera from any burden and/or responsibility in this regard.
